What should my child wear?

How long are your sessions?

Can I join in the middle of the season?

Yes! We offer open enrollment so that you can join anytime and have your class fees prorated, meaning that you pay only for the remaining classes and not the full session fee.

What is your make-up policy?

Make-up classes can be made online, based on availability, and you must reschedule within the current session. We do our very best to accommodate your requests. If you have multiple children, please schedule a make-up class for each.

How long is each class?

Each of our classes lasts 50 minutes with a water break halfway through, so be prepared with a water bottle. Between classes, there is a 10-minute break.

What is your policy for accommodating children with special needs?

Lil' Kickers is an inclusive program for children with special needs as long as we can assist them appropriately. Please contact your Lil' Kickers Coordinator for more information on where your child with special needs fits.

How is Lil' Kickers different?

While many soccer programs are busy using traditional soccer drills to drive home the fundamentals of soccer, we approach coaching from a child-centered perspective. Our main goal is to make learning fun for kids. We do this by putting instruction into a context that children understand using special techniques designed around how kids naturally learn. Lil' Kickers teaches your child the fundamentals of soccer but focuses on the whole child. Our program helps build social, emotional, and well-balanced and conscientious individuals on and off the soccer field.
